Senior School Leadership

There are a number of leadership opportunities for students in the College. The College is led by two College Captains. These students are supported by Prefects who take responsibilities for different areas within the College, and House Captains who are responsible for the Houses.

These roles are then supported by Captains of Subject, Culture, Service and Sport. These positions are generally held by Year 11 students. There are also Captains of Buses who have a very specific responsibility to support the bus drivers.

The leadership processes are well publicized to the students. The process of application and appointment generally takes place late Term 3 and early Term 4.

Middle School Leadership

Leadership positions may vary slightly on an annual basis, but generally include some or all of the following:

- Class Captain/SRC representatives (Years 5-8)
- Sports Captains (Year 6)
- House Captains (Year 8)
- Middle School Captains (Year 8)

Dates will be confirmed closer to the time and posted on the College Calendar. It is the students' responsibility to check the Calendar and submit applications by the due date.
