

## **VEHICLES**

The Braemar College site has a variety of designated parking areas. It is expected that students respect the personal property of others and that vehicles are not interfered with.

Under no circumstances are students to drive to or from the College – this is to ensure the safety of the College Community.

An efficient bus service is provided for all students.

If it is necessary to drop students at the College please note that all drop offs prior to 8.45 am are to be in the Lower Car Park. Similarly any pick- ups between 3.15 pm and 4 pm parents are asked to use the Lower Car Park.
